FUNERALS.—The funeral of Miss Ella M. Marbury, whose death occurred in Washington on Saturday, took place from St. Paul's Church, this city, this evening, the remains having been brought here yesterday. The services were conducted by Rev. P. P. Phillips, and the pallbearers were Messrs. James Evelev, Hubert Snowden, G. W. Ramsey, L. Stabler, Douglas Stuart, and W. H. Goldsmith. Miss Marbury, who was a daughter of the late Capt. Leonard Marbury, of Glymont, Md., was a clerk in the National Museum. She was run down by a butcher wagon, driven by Carl Pfitzner, Friday night about 8 o'clock, at the corner of Virginia avenue and 11th street southwest, Washington, and received injuries from which she died at 11 o'clock Saturday morning. The investigation made by the police show that the accident was unavoidable and no arrests will be made. Miss Marbury was sixty-seven years old. She had been in the employ of the government for many years. She was an indefatigable worker in the Ladies' Aid Society of Grace Episcopal Church, Washington, of which society she was secretary. She often went out evenings in this connection. She was totally deaf in one ear, and was somewhat feeble and easily confused regarding directions on the street. She expressed the wish to be buried at Alexandria where she once lived.

The funeral of William Bohlayer, the twelve-year-old son of W. H. Bohlayer, whose death occurred Thursday night, took place from his late home on Seminary Hill, at 9 o'clock yesterday afternoon. The services were conducted by Rev. E. V. Regester, of this city, and interment was made in Ivy Hill Cemetery.

DECORATION DAY.—All the arrangements for the observance of Decoration Day next Thursday have been made, and the occasion is anticipated with pleasure by all who will participate in the exercises, which will be held at 12 o'clock noon. The National Cemetery, always in beautiful attire for any occasion, has been still further beautified by Captain J. V. Davis, whose taste in the arranging of everything would be difficult to improve on. The following programme has been arranged for the occasion. Assembly, bugle; America, quinine; Invocation, Rev. E. V. Regester; Sleep Sacred Dead, quinine; Reading Lincoln's Gettysburg Oration, W. P. Graves; Today This Hallowed Place We Seek, quinine; Oration, Rev. Dr. Geo. L. Hunt; Freedom's Banner, quinine; Benediction, Rev. E. V. Regester; taps, bugle. The music under direction of Prof. J. S. Renner; Mrs. Harry Myers and Miss Madeline Wells, sopranos; Mrs. J. S. Renner, alto; Prof. J. S. Renner, tenor; Mr. James Foster, bass; Mrs. Auster, organist.

THE VAGARIES OF THE WEATHER.—The warm weather of last week passed away Saturday afternoon, and by dark the temperature was raw and cool. The wind was from the northeast and bore considerable moisture. The same conditions prevailed yesterday and last night. A fine rain fell all day, and at times last night there were heavy downpours. This morning rain was still falling with the temperature too low for comfort. Warm shows have been comfortable adjuncts during the past forty-eight hours. People who had discarded winter underclothing during the latter part of last week experienced the need of it and those who had dismantled stores, supposing they would not be needed again for several months, regretted their action.

MEMORIAL SERVICES.—The Alexandria Council of the Junior Order United American Mechanics together with the Daughters of America, in accordance with their custom, visited the cemetery yesterday afternoon and decorated the graves of deceased members of the order with flowers and small American flags. Religious services were also held. The opening prayer was made by Rev. Dr. George L. Hunt, the oration by Rev. E. V. Regester, and the closing prayer by Rev. J. A. Jeffers. Mr. J. H. Trimyer, in a very impressive manner, read an oration. The attendance was small, on account of the weather, but all present greatly appreciated the interesting exercises.

THE CHURCHES yesterday morning, on account of the weather, had smaller congregations than usual. At night the falling off in attendance was still more marked. The afternoon service at the Railroad Reading Rooms was presided over by Mr. A. M. Lewis, of the Episcopal Theological Seminary, who delivered an interesting address. High mass was celebrated at St. Mary's Church at 10:30 o'clock in the morning. The celebrant was Rev. Father Payne, of Warrenton. Rev. Father H. J. Cutler, pastor of the church, was the deacon, and Rev. Father Abern, of Winchester, preached the sermon. There was no service at the Second Presbyterian Church at night. The pulpit was occupied by Rev. Dr. Bittinger, of Washington, at 11 a. m. In the Immanuel Lutheran Church in the morning six children were confirmed. The services included an examination of the children in catechism and an address by the pastor. A special musical programme was also rendered. Children's day exercises were held yesterday morning in the Second Presbyterian Church. Similar services were held in the Methodist Episcopal Church at night and the Trinity M. E. Church had their exercises throughout the day. The floral decorations were beautiful. Special musical programmes were also rendered. Several converts of Mount Zee-reel Baptist Church, colored, were baptized in the cove at the foot of Battery Rodgers.

NARROW ESCAPE FROM DROWNING.—A small boy named Andrew Frank, grandson of Mrs. E. B. Simpson, who lives on 8th Henry street, while playing at Mr. John R. Zimmerman's wharf, foot of Queen street, this afternoon, fell overboard and had a narrow escape from drowning. Mr. Wilmer Zimmerman, who witnessed the accident, succeeded in rescuing the boy. The latter, however, was unconscious when taken from the water and he was placed in the office and Dr. Gorman summoned. He was soon on hand and succeeded after some difficulty in resuscitating the boy.

SUPERINTENDENT OF GAS.—The examiners from Washington who last week in this city examined the applicants for the position of Superintendent of Gas of Alexandria have submitted their report, which will be presented to Council tomorrow night. While nothing definite is known, it is understood that Mr. Harry Hantmon was the only one of the three who successfully passed. In this event he will be the only candidate before Council.

AN OLD LANDMARK GONE.—The old toll house of the Little River Turnpike, situated on the West End road at the junction of the pike with the telegraph road, has been torn down. This old landmark has been familiar to people of several generations. It was located about a mile from the city limits.

Harry Oliver and James Langford, disorderly and fighting; dismissed.

Thomas Daniels, a small boy, breaking a globe of an electric light; dismissed on paying damages.

Nathan Truitt, colored, shooting at Guy Harris in the street; was fined \$20.

Night Report.—Last night was cloudy and cool. Two lodgers were at the station house.

In the County Court, Judge J. M. Love, the case of Horatio Ball of al. vs. Marion Davidson et al., application for opening a road, came up today. Messrs. Frank Lyons and W. W. Douglas appeared for the plaintiffs and Messrs. J. E. Clements and Eugene B. Taylor for the defendants.
